COMPLAINT

2017 JUL 12 PM 4:43
 MAGNANA H. BOBO
 CLERK OF COURT
 TUSCALOOSA COUNTY AL.

COME NOW Plaintiff, Melissa Russell, Pro Se, bringing forth the following cause of action and alleges the following:

1. Plaintiff is an individual, over the age of 19 and resident of Tuscaloosa, Alabama.
2. Defendant is a corporation and at the time of this complaint, headquartered in Stamford, Connecticut.
3. On or about November 6, 2015, plaintiff opened her first account with Care Credit which is distributed by means of Synchrony Financial.
4. Thereafter, from on or about December 21, 2015 up to March 5, 2017, the plaintiff was approved for a total of six credit card accounts which were distributed by means of Synchrony Financial. The accounts were as follows, in the order in which they were opened: Care Credit; Walmart, Lowes, Belk, Chevron, and BP Gas.
5. The plaintiff was paying on each account listed in #4, on time and as instructed by means of her credit card agreement.
6. On or about August 19, 2016, the plaintiffs Chevron credit card, received a credit limit decrease. The plaintiff called the defendant and was told that the answer would be coming in the mail and that they had no explanation. The Plaintiff never received an explanation in the mail. The plaintiff asked that the defendant close this account, due to the fact that they had misrepresented and reported false information to a third party.
7. On or about September 6, 2016, the defendant lowered the plaintiffs Lowes Credit Card Account, The plaintiff never received such letter of explanation. The account was left open. The plaintiff used and paid the account as per the credit card agreement. The defendant closed the account for no explained reason. The plaintiff later discovered, by

means of a potential creditor, that the account had been closed and a false negative statement attached to her credit file by the defendant.

8. On or about September 13, 2016, the plaintiff called the defendant and was given several different phone numbers to contact each of the defendants creditors to kindly ask that *no reviews of the plaintiffs accounts be done to either increase or decrease the set credit balance*. Each of the defendants creditors agreed and stated they did as the plaintiff had asked. The only creditor who asked why and wondered about the plaintiffs decision was Care Credit. At first the plaintiff was told this was not allowed; After the agent at Care Credit placed the plaintiff on hold for 12 minutes, he came back and stated that *he had learned something new and that they were able to do this request for the plaintiff*.
9. On or about April 22, 2017, the plaintiff went into one of the defendants creditors stores and was embarrassed due to the credit card being closed by the defendant without notification or reasonable cause to do so. The plaintiff stood in line at the Belk Department store and burst into tears in front of the line of shoppers and the cashier. This embarrassing scene led to the plaintiff becoming discombobulated to the degree that the plaintiff had to call a relative to pick her up from the store.
10. On or about April 24, 2017 the plaintiff went to her online accounts issued by Synchrony Financial and discovered that two of her accounts had been closed by the defendant and reported in a negative way to a third party for apparent discriminatory reasons and one of her accounts, received a decreased credit limit and was reported negatively to a third party. The defendant later sent the plaintiff a new set of credit cards, even though they had closed the account and falsely reported a negative rating to the credit bureau.
11. The plaintiff was very distraught and felt unworthy, worthless and depressed. Medicine had to be issued by the plaintiff psychiatrist for anxiety and depression.
12. The plaintiff received one letter of explanation from the defendant in regards to the Walmart account on or around April 30, 2017.
13. On or around May 2, 2017, the plaintiff wrote a letter to the defendant and contacted eight officers of staff to express how devastating and depressing this situation has been and asked for non-monetary action.
14. On or around May 23, 2017, the plaintiff received a written letter from the defendants representative, Ashley Lewis, stating that the plaintiffs requests had all been denied. The defendant stuck to their false reports and the defendant continued to report false information to a third party.

Plaintiff brings forth the following counts and allegations supporting her cause of action:

COUNT 1 - NEGLIGENCE

Defendant failed to perform the duties according to the credit agreement pertaining to the six credit accounts it approved the plaintiff to have in her possession. The defendant states that it "is not a credit bureau; therefore, we are unable to comment on how the actions taken on your accounts may affect your credit score." The defendants are negligent in making that statement. The defendant's credit card agreement states that "We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be shown in your credit report. Tell us if you think we reported wrong information about you to a credit bureau." The plaintiff was never late, never missed a payment and never defaulted on any account with the defendant. The plaintiff is fully aware that the defendants are not a credit bureau; The defendant, however, clearly knows that the credit bureau is not a standalone entity. The credit bureau is fed information from the defendant. The defendant was notified of their negligence and failed to correct the false and negligent acts. Based on the facts the defendant stated "Synchrony Bank evaluates credit accounts based on a sound credit scoring system...this score predict the probability an account will be paid in accordance with its terms..." Several accounts that were closed by the defendant did not have a balance, so how could probability cause the defendant to close an account that no longer had a balance, was paid on time or paid off in full? This ongoing negligent behavior is malicious and egregious.

COUNT 2 - DEFAMATION OF CHARACTER

Defendant has defamed the character of the plaintiff by providing false and misleading information to an entity that reports to others about the plaintiffs worthiness. The defendant use their otherwise legitimate access to a computer system to engage in improper, negligent and malicious activities. Because of the defendants malicious and defaming actions electronically otherwise, the defendant implicated the plaintiffs unworthiness thus causing other creditors to deny the Plaintiff and deem her unworthy. The defendants malicious behavior injured the plaintiffs reputation.

COUNT 3 - DISCRIMINATION

The defendant has acted in a discriminatory manner in the way they have dealt with the plaintiff and her credit. The plaintiffs Care Credit account issued by Synchrony Financial has the highest APR and it lists the applicants race, sex, nationality, etc...while the defendant had deemed the plaintiff unworthy for the other accounts, they deemed her worthy of an increase for this one. The defendant targeted the plaintiff. The defendant illegally obtained discriminating information and used it in a discriminating way against the plaintiff. If the defendant was within legal rights and lawfully abiding by its own credit agreement, why would they allow ANY accounts of the plaintiff to remain open and in good standing? The Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants who exercise

their rights, in good faith, under the FCBA. The plaintiff was discriminated against, as well, because she openly voiced her disagreement with the defendant. The defendant targeted her accounts every since that first contact.

COUNT 4 - PRIVACY VIOLATION

The defendant, by their own admittance, repeatedly pulled information and records about the plaintiff without her expressed consent and without reason. The plaintiff had expressly opted out of this option as long as the accounts were in good standing. All of the plaintiff accounts were in excellent standing. The plaintiff was not behind on any credit account. The plaintiff did not request any increases of credit. The plaintiff did not miss one payment. The plaintiff did not relocate. In the defendants own admittance, "Information obtained from your TransUnion credit file was the determining factor in our decision to close your Belk Rewards Card account ending in 8609..." The plaintiff had six established accounts with the defendant, all in good standing. There was no suspicious activity within the accounts and therefore, no additional information was necessary about the plaintiff.

COUNT 5 - EMOTIONAL DISTRESS

For the past two years the defendant openly caused the plaintiff unnecessary distress causing Plaintiff to seek medical attention on three occasions and be issued prescribed medicine for stress, anxiety and depression. The plaintiff suffered sleepless nights, numerous tears of distress, feelings of worthlessness, anxiety, and emotional turmoil, in addition to being turned down for a home loan and other credit rejections, because the defendant knowingly, negligently and purposefully discriminated against and falsely reported negative information about the plaintiff to a public institution in which millions have access. The plaintiff is constantly haunted by the notifications from her credit file of reduced ratings, closed accounts, decreased limits issued by Synchrony Financial. The defendant has used unlawful, unethical and illegal means to create distress for the plaintiff.

DAMAGES

WHEREFORE, Plaintiff seeks compensatory damages in the amount of \$60,000 and \$500,000 in punitive damages, due to the defendants egregious conduct and malicious behavior. The Plaintiff seeks to have defendant remove all false and negative remarks from her credit file that they falsely placed in writing or via computer access. The Plaintiff seeks repayment of any fees, court cost, or other expenses related directly to this lawsuit.

Plaintiff requests a trial by jury.
